

INVITATION

The University of Agronomic Sciences and Veterinary Medicine, Bucharest and the University of Bucharest are pleased to invite you to participate to the 4th INTERNATIONAL SUMMER SCHOOL 2016 entitled ***“Capture the World with geomatics Faster, Smarter, Better”*** due to be held between 12 - 20 September 2016 in Bucharest, Romania.

This event intends to become a privilege to the tradition of the 2013, 2014 and 2015 editions, appreciated by its participants as a very successful and remarkable one, and we would like to thank you for your interest in our common area. It will bring together teachers, researchers, experts and students from around the world and it aims to provide the opportunity to build connections and partnerships while offering a unique insight into the most recent research and developments in geospatial science.

We intend to present, during the entire period of this event, the latest scientific knowledge in: GIS, rapid modelling, mapping, static and mobile laser scanning, range imaging, active imaging techniques for 3D representation of static and dynamic objects and scenes, geospatial data infrastructures for environmental monitoring and analysis.

We are looking forward to sharing this experience together.

On behalf of the Organizing Committee,

Rector U.A.S.V.M. B.
